The “Scoop” On NEICRA

The New England Ice Cream Restaurant Association is the premier regional organization of the ice cream and frozen yogurt industry professionals as well as Associate Members consisting of extremely dedicated suppliers. Our goal is a cooperative one: to serve those who serve ice cream and frozen yogurt as a profession.

Since our inception in 1946, our membership has grown to represent every state in New England (as well as a few beyond). Businesses from the “giants” of the industry, to small, single-person operations are among our ranks. Our efforts are complemented by industry suppliers, who support us as Associate Members.

We were founded on the concept of information exchange. NEICRA is the hub around which ideas, technology and techniques are shared for mutual benefit. This exchange is meant to improve the way you do business, increase your profits and make your enterprise a more successful one.

Coming Together

As a member, you'll be invited with our compliments to the January Winter Seminar held in conjunction with Taylor Freezer of New England's Open House at Lantana's in Randolph, MA. A day full of seminars and networking relating to the Ice Cream industry.

You'll also be invited to join us at our Fall Convention: Overnight meetings held at some of New England's finest resorts. At these most enjoyable gatherings, we create the perfect mix of business and pleasure, sharing experiences on both a professional and personal level.

In Print

Three times a year, you'll receive your issue of The Scoop, NEICRA's official newsletter. In it you'll find up-to-the-minute information on happenings within the industry and how they affect you. Our publication keeps its finger on the pulse of legislation of interest to all of us as well as passing on helpful suggestions.

Join Us!

To become a member of NEICRA, you need only fill out the membership application on the reverse of this brochure and send it to us with a check to cover our modest annual dues. Upon acceptance, you'll receive a static cling window decal.
